

LOS ANGELES SECTION

Dear NACE L.A. Section member,

It is time to begin thinking about renewing (or beginning) your support for the local NACE International LA Section chapter. Your sponsorship does several things: it allows us to give scholarships and awards to deserving college and secondary school students; it helps to defray the cost of the monthly dinner meetings, thereby keeping attendance costs low; and it supports the annual December luncheon.

The NACE LA Section Monthly Flyer shows the business card of all section sponsors on the first page and is emailed to NACE members and prospective members in the section area; the flyers are emailed to over 900 recipients per month.

The section website, www.nace-losangeles.org, has a link to all section sponsors via their business card image, which in turn provides a separate link to their email address and company website. Lastly, our section web page is also available on the main NACE International web page (www.nace.org), where anyone in the world can navigate to our page and onto your web site.

The rollout for the new sponsor year begins during our December luncheon, where exhibitors will be provided with a table for display. Space is limited to first come, first served. Exhibitors may bring, at their option, (2) giveaways for the raffle.
